- 
- South Carolina has the third highest rate of people with diabetes relative to the population
  - Joslin is an affiliate of Harvard Medical School, One of the most prestigious hospitals in the world
  - Diabetes affects over 20 Million Americans and over 390,000 in South Carolina. Approximately 10% of the entire population.

***All proceeds go towards the Joslin Diabetes Center High Hopes Fund, and help contribute to the goal of one day finding a cure for one of the most common and fatal diseases in the US, diabetes.***
